WARRANTY LIMITED ONE-YEAR WARRANTY

This warrantee extends only to the original owner/end-user for personal household use only. For commercial uses, additional limitations may apply. Design Element warrants mirrors, vanities, faucet finishes and fittings to be free from defects in workmanship and materials under normal use and service for a period of one (1) year. Design Element will, at its election, repair, replace, or make appropriate adjustment where Design Element optional inspection discloses any such defects occurring in normal usage within the warrantee periods. Please note that Design Element is not responsible for installation or removal costs. Improper modification of any vanity and/or faucet may void the warrantee. This warranty does not cover any claim arising from abuse, misuse, negligence, accident, improper installation or operations on the part of the purchaser. This warranty is void if the Design Element product is subject to alterations, or if repairs are attempted by anyone other than an authorized agent of Design Element. This warranty does not extend to any plumbing or components installed by dealers, installers or by any party other than Design Element. Implied warranties, including that of merchant ability or fitness for a particular purpose, are expressly limited in duration to the duration of this warranty.
