## CR245 Producer CD Recorder

In the music industry, a record producer has many roles in creating the perfect musical masterpiece. The Crosley Producer CD Recorder allows you to be your own producer, or at least a preserver. Capturing your favorite songs from your private collection has never been easier thanks to Crosley. With the simple touch of a button, you can effortlessly record all of those 33's, 45's and even 78's directly to CD. If the music doesn't take you back in time, the traditional Crosley styled cabinet will rock you back to the good old days. The sleek design houses a variety of technology complete with a 3-speed turntable, CD recorder, AM/FM radio with a nostalgic analog tuner and a programmable CD player. With this much style and functionality the Producer is a must-have for any home.
